

VICTIM JUSTICE SECTION

DRUG ENDANGERED CHILDREN (DEC) DATABASE (UD) PROGRAM

Program Description

The Drug Endangered Children (DEC) Database Program funded 1 project, through the University of California at Davis, Medical Center's Department of Pediatrics to develop a statewide web-based database easily accessible to county DEC representatives using secured coding schemes.

Eligibility

University of California, Davis, is the only eligible agency.

Authorized By

California State Legislature

Fund Source and Amount

Federal Children's Justice Act - \$100,000

Grant Award Period

January 1, 2008 to December 31, 2008

Next Competitive/Non Competitive Application Due Date

This grant is funded for three years and is not in a competitive cycle.

Additional Program Information

Five pilot sites have been set: Sacramento, Butte, Riverside, San Bernardino and San Diego Counties. Within these jurisdictions, the Multidisciplinary Teams for DEC families comprising Child Protective Services, Law Enforcement, Prosecutors, and Medical Services, will input standardized data to the web based database established by the University.

How Do I Get More Information

This program is administered by the Victim Justice Section of the Victim and Children's Branch of the Law Enforcement and Victim Services Division of OES at (916) 324-9120.
